

## PRESS RELEASE FROM BSE-SOFIA

Today, 02 December 2009, a new issuer, BG Agro AD-Varna, has been listed on the Bulgarian Stock Exchange - Sofia. The company's business activity is in the field of domestic and foreign trade; engineering; production; marketing, agency and commissioning etc.

The company deserves admirations, because in a period of financial crisis it recognises the benefits of the public status and shows trust in the capital market. This is a positive indication for the good working non-public companies considering listing on the Stock Exchange, said Mrs. Bistra Ilkova, CEO of BSE-Sofia, on occasion of BG Agro AD debut.

Mr. Nenko Nenkov, chairman of BG Agro AD Board of Directors, has officially opened the trading session today and has presented the company, and also has expressed his expectation for trade intensification in the coming year, which would afford an opportunity for a possible increase in capital of the company. Today, on the floor of the Exchange have been transferred the allotted through the book building method 5,189,967 shares i.e. 12.86% of the capital of the company.

Since early 2009, BSE - Sofia has admitted to trade 34 new issues of financial instruments: 16 issues of shares including 2 issues of special investment purpose companies, 14 issues of bonds and 4 issues of units of mutual funds.
