

PRESS RELEASE FROM BSE-SOFIA

in connection with the conducting of the 19th Centralised Public Auction

In connection with an Application submitted by the Privatisation Agency, please be informed that 85 companies have been registered on the Privatisation Market, Centralised Public Auction Segment. The initial and final date of the auction will be announced after promulgation of an auction notification in the State Gazette.

The list of the companies to be privatised and their parameters is available in Bulgarian language on the official web site of the Exchange at <http://download.bse-sofia.bg/cpt/SpisakCPT19.xls>.

The information memorandums of the companies are available in Bulgarian language at <http://download.bse-sofia.bg/cpt/>.

Please, have in mind that the buy orders for the shares offered at the Centralised Public Auction will be entered through the former trade platform (used before 16.06.2008), namely through the RTS.
