

INSTRUCTIONS FOR REGISTRATION OF TRANSACTIONS IN TERMS OF REDEMPTION OF SHARES

1. Execution of transactions resulting from redemption of shares by their issuer (hereinafter 'redemption') is performed through the Trading System of the Exchange within the terms provided by in the BSE Rules and Regulations (Art. 51 (3) in connection with Art. 87 (6)) and these Instructions.
2. To register a redemption, the Exchange Member authorized to perform the redemption, not later than one day before the date of registration, has to file a copy of the Court's Decision for registration of the respective decision of the General Meeting of Shareholders for redemption, duly certified by the issuer and containing the following information:
 - Name of the issuer performing the redemption
 - BSE code of the registered issue
 - Maximum number of shares, subject to redemption
 - Terms and procedures for performance of the redemption by the management bodies
 - Term for redemption of the registered issue
 - Lowest and highest price of redemption of the registered issue
 - Other redemption conditions.
3. Entering of orders and execution of transactions is performed as follows:
 - An officer from Trading & Surveillance Department activates the issue, subject to redemption, right before the trading session on the date of registration, in the TOVER listing – tender offers for redemption and redemption of shares (the issue bears its original BSE code but with '+' sign in front)
 - For execution of transactions, subject to redemption of shares, only issues whose BSE code starts with '+' will be selected (for example: '+DETEL')
4. The fee for registration of transactions resulting from redemption of shares amounts to 0.02% of the transacted value and is due only by the Exchange Member being a buyer.
